

Pleasant Ridge & Ramsgate Community Watch Meeting

The following items were discussed:

Meeting started at 7:12 p.m. - 16 members were in attendance.

Tabitha welcomed everyone. No new members/neighbors were there.

Officer Upchurch was unable to attend. So the 911 call sheet was not available. Please visit the website to view calls.

NCSU Emergency Notification/Sirens are done on the first Monday of each month at 12:15.

- There is usually a bell tower song; an announcement, then the sirens
- It can be heard up to Lawrence, Goshawk, Hoot Owl

A block captain had a car accident at the corner of the Citgo station (Lake Wheeler Road) and Carolina Pines Ave. It was the eighth accident in that area (unconfirmed).

- Suggestions: get a stop light; since the residents in community know about this area, just let someone/others get through at corners like Lawrence--a/k/a "let a neighbor out."

A stoplight is in the planning stages for the intersection of Lineberry and Trailwood.

Financial report - There is \$175.85 in our account.

- received \$25 from the Food Lion MVP program
- you can still sign up more patrons (friends, co-worker, etc.)
- Community watch signs are for sale
- Spring campaign is still accepting donations of any amount

Hot topics - Mike Shumake, Herb Cunningham, and Mary Bean gave us pointers on how to keep your yard in good shape because of the drought.
