

The meeting started at 7:11 p.m.

Welcome

Tabitha welcomed everyone

- All neighbors were asked to sign-in, register for a door prize and eat cookies
- All neighbors signed a "Thank you" note for the Temple of Pentecost for the use of their room for our meetings

Crime Prevention – 9-1-1 Calls

911 reports were not available; TBD at a later date

- Recently, a home on Sierra drive had a break-in; suspect has been captured
- Officer T.M. Connors spoke on some community watch issues (FYI—he was a Marine and wanted to say "happy birthday to all Marines that were present")
- RPD is very supportive of any community watch program and the Pleasant Ridge & Ramsgate area is generally a safe area with a small amount of vandalism
- He wanted all the neighbors to know the non-emergency number, to please call 911- however, even if it's late, and RPD will follow-up on the call; college students partying, PROP issues, etc.
- Questions - re: knocked down mailboxes, parking on Sierra & Lawrence

Tabitha and Jason did a recap of their ride-along

- Both stressed that when they had a call "please provide lots of details!"
- See additional resource below for direct links

Let's Slow 'em Down

Tom Fuller reported on the procedure to reduce the speed limit on Lawrence Drive

- To reduce the speed to 25 mph, they need 75% of the signatures from Lawrence residents (not home owners)
- Nancy Johnson volunteered to work on the speeding issue on Sierra and Jay Joiner volunteered to work on the parking issue on Voyager / Sierra
- If you want the speed reduced on your street, please email chairs@prw-watch.org for the process

Treasurer's Report

The account has \$481.68. Food Lion MVP amount \$75.00 and NNO fundraiser amount \$92.00 for the year.

- PRR and the NCSU Campus Coalition magnets were distributed

- Tabitha attends the Campus Coalition meetings to stay informed on student issues
- Possible spending on a new PRR community watch sign with the website address on it
- **Secretary position is open**, please email chairs@prw-watch.org if you are interested in becoming a board member and filling this position
